LAB Resources' 2012 Quick Reference Price List
Version 1.0—Sorted Alphabetically

As we begin our 22nd year, we are here to help you before, during and after you make your purchasing decisions. Our commitment to you remains to offer personal service while maintaining low prices.

When you call LAB Resources, you will speak with a licensed speech pathologist who has worked with individuals with a wide range of disabilities, and has provided training on assistive technology software programs to educators and students.

Our Quick Reference Price List and Catalog contain a sampling of the products we carry. If you can't find something in our catalog or need pricing for larger quantities, please call us and we will be happy to assist you.

Please contact us if you would like a copy of our 2012 catalog.
