Dragon NaturallySpeaking Professional Ed. 11

Save money with licensed software!

Choose from a **5-pack** Dragon Professional Windows license or a **Dual-Platform Building License**:

- **Dragon NaturallySpeaking Professional Edition Ver. 11 Five-Pack:**
  Speak naturally to create documents. New version is faster and more accurate than previous version. New Dragon Sidebar allows you to find and use important voice commands and tips. The Professional Edition has features that can help meet the needs of educators. The roaming user feature lets you install the voice file on the server so it is accessible to all computers running Dragon. Allows delayed correction so educators can assist a student to correct his or her work. Voice models for adults and teens. Section 508 Certified.
